- Administrative Tasks
- Conflict Resolution
- Student Engagement
- Subject Matter Expertise

SUMMARY

Dedicated and licensed Biology educator with a strong passion for engaging students in meaningful learning experiences. Skilled in curriculum planning, classroom management, and integrating hands-on experiments to simplify complex concepts. Committed to fostering a supportive learning environment and preparing students for national and external examinations (WASSCE, JAMB, NECO).

WORK EXPERIENCE

Biology Teacher (SS2 & SS3)

Divine International School, Bauchi State | 2023 – Present

- Developed and delivered engaging lesson plans, aligning with WAEC and JAMB curriculum.
- Increased student performance by 30% in Biology through hands-on practical and exam-focused coaching.
- Supervised laboratory activities, ensuring a safe and interactive learning environment.
- Conducted mock exams and past question reviews, leading to 10% improvement in exam readiness.
- Provided after-school tutoring, supporting struggling students to master key concepts.

Basic Science Teacher (JSS1)

Gbagada Junior Girls High School, Lagos State | 2022 – 2023

- Simplified complex science concepts using hands-on experiments and digital tools.
- Improved student engagement by X% through interactive learning methods (e.g., Kahoot, Quizlet).
- Collaborated with colleagues to develop innovative teaching materials.

Volunteer Teaching Experience

Home Tutor (Biology, Basic Science) | 2019 – 2023

- Taught students at different levels (KG to SS3) across Lagos and Ogun States.
- Helped SS3 students improve WAEC/JAMB Biology scores through personalized coaching.
